

"Improving life from the inside out"

Furnishing Hope is a non profit organization working in Orange County to re-circulate "gently used" furniture from private donations directly to homes of people in need. To access wheather your applicant is eligible for some of this furniture, please read the following guidelines:

1. Applicant and his family must be legal residents of the U.S.
2. Applicant and his family must live in Orange County.
3. If your applicant is a child under the age of 18 and living at home he and his family may be eligible depending on the family's income which can not exceed \$36,000.00 per year.

If your family meets these guidelines please fill in the following information and submit it to our office for consideration along with a Letter of Request on your letterhead and submit the furniture requisition list.
